

Fall 2020-Spring 2021 Trade List

Below is the list of species and varieties of plants that we currently grow at Schaefer Nursery. Simply because a plant is listed here does not guarantee that we have any in stock.

Please call us at 931-967-4415, email us at liners@schaefernursery.com or check out our website at www.schaefernursery.com for a current availability.
